Youth Conference '98  
April 24-26

# Ron Johnson

Ron Johnson Jr, author of the College of the Cause discipleship curriculum, is founder and Executive Director of the Cause Youth Foundation and Associate Pastor of Living Stones Fellowship in Crown Point, Indiana. Ron possesses over a decade of youth ministry experience and a passion to see teens impact their world for Jesus Christ.

# Church of Rhythm

This year's Saturday night concert will feature Church of Rhythm whose music is an edgy blend of alternative and acoustic pop. Their debut album, *not perfect*, won them two Dove Awards last year, and this sextet promises to deliver an energetic and unforgettable performance!

# '98 Co-Directors

Youth Conference 1998 has been in our thoughts and prayers for close to a year. As co-directors we are seeking through Youth Conference to bring you to a fresh knowledge of Christ's love and a greater realization of who God really is. More than this goal we want to give those who attend a picture of what real and practical Christianity can be. Our highest goal is simply to please God first. We are excited about what God has in store and ask that you prayerfully consider attending this exciting, Christ-filled conference.

In His Grip-

Evi Morris and J.R. Kerr, Co-directors

- T. One-on-one with Church of Rhythm  
(only at 1:30 - 2:15 session)

## Sponsors

Youth Conference is not just for youth! We are excited about the activities and opportunities we have planned for you at this coming conference. Our desire is to serve you by providing helpful insight, practical ministry ideas, and a better understanding of your youth. We hope to accomplish this through fellowship, prayer, workshops, and a lot of fun! Seminars and discussion groups involving Jay Kesler and other distinguished Christian leaders in our community will address the needs of youth in the 90's. Our goal is to help you continue building on the ROCK!

And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not; for it was founded upon a ROCK.
